*This comes to Mind for instance
Obsolete in an instant*

*My Goodness, This Planet is Sick
Long "overdue" for a Healing
it Includes Greedy Piggies
giving "A Squealing"*

*In the Cultural Structural Destruction
of AMERICA
NO Pledge of Allegiance is Made
by \$ Profit TRAITORS \$
as they reap \$ Enormous SUMS \$
with creed and credentials
from Code of the SCUM*

...toll free, free kick, free ride, free trial, trial free, penalty free, free zone, free shot, free throw, free from, tax free, conscience free, Regulation free, free from Responsibility, free-dom, interest free, rent free, free guarantee, duty free, a free one, free fall, free massage, age free, free sample, free Spirit, free government, free lance, free from fear, I just want to be free, free World, free LOVE, Here's the way I see it: Once it leaves my hands and is given and shared with someone else THEN it's their FREE WILL. (Although some individuals do need a whack from the Zen Master now and then to keep them on track. A technique commonly referred to as "whack a track.")

*"God is everywhere" or was it

*The extremely RICH

*To Surmise: the PRESENT
Do we need more spies or deceptive lies?
A MILITARY BUDGET beyond the skies
or a rip-off-rift about the fiscal cliff
with corporate sponsor & bean counter
bureaucrats who don't get the drift
THAT This current Corpo-crisy
when I think of it, is a fake U.S.A.
Crock of Shit.*

*NO!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
SO, This is the way it will GO
a shared Laugh about half & half
a joke a smile or something funny
gentle and soft as a BUNNY*

*A Synopsis of Energy includes Power
(Refined to use and necessity)*

*Power forced becomes wasteful and counter-Intuitive with potential for 'overloads' and Damage. Power can become an illusion or apparition actually less real and tangible and practical and useful than its appearance. At this point its initiation of the absurdities of non-beneficial base levels...Is Counterproductive. Regarding people it can become coercive, abusive, and cruel...a "domino effect" of forever falling down. (Apprehensions are created...and beneath it all exists FEAR.) One Reserve of Energy in the face of Power is inner strength...fortitude and continuance in grace, which is always available
TO ALL Human beings.*

That's why we share these things!
